| Catalog Description   | F202 AC-25/0,3 IEC Residual Current Circuit Breaker                                                                                                                                                               |
| Long Description      | The RCCBs F200 series assures protection to people and installations against fault current to earth. This product is manufactured according to international IEC standards, for the markets where it is required. |

### Technical

|                                 |                                            |
|---------------------------------|--------------------------------------------|
| Standards                       | IEC 61008                                  |
| Operating Characteristic        | Instantaneous                              |
| Type of Residual Current        | AC type                                    |
| Rated Residual Current          | 300 mA                                     |
| Rated Current (I <sub>n</sub> ) | 25 A                                       |
| Number of Poles                 | 2                                          |
| Power Loss                      | at Rated Operating Conditions per Pole 1 W |
| Rated Voltage (U <sub>r</sub> ) | 230 V                                      |
| Rated Frequency (f)             | 50...60 Hz                                 |

### Ambiente

|                         |                            |
|-------------------------|----------------------------|
| Ambient Air Temperature | Funcionamiento -25...55 °C |
|-------------------------|----------------------------|

RoHS Status
