## Información Adicional

|                    |                                                                                                                                                                                                                                                                                                                                                                                                                             |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Medium Description | BEY16-4 Connection Set for Star-Delta Starter is used to easily connect the main poles of an AF09 to AF16 to set up a Star-Delta. The connection sets are made up, for line contactor / Delta contactor of an upstream phase to phase connection, for Delta contactor / Star contactor a downstream connection in parallel, for star contactor a Star point upstream. The connection sets are made of insulated copper bar. |
| Order Multiple     | 1 piece                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Product Main Type  | Accessories for Block Contactors                                                                                                                                                                                                                                                                                                                                                                                            |
